SKILLS

- **Programming Languages:** C, Python, JavaScript, C++
- **Web Development:** HTML, CSS
- **Database:** DBMS (SQL basics)
- **Core Concepts:** Problem Solving, Critical Thinking
- **Management Skills:** Leadership

PROJECTS

Smart Luggage Control System

- Developed an Arduino-based smart luggage system designed for automated movement, luggage handling.
- Designed and implemented system logic for controlling luggage movement and connected hardware components.
- Integrated ultrasonic sensors for obstacle detection and safer autonomous movement.
- Implemented PWM-based motor control to regulate speed and movement of the luggage.
- Integrated an LCD I2C display to provide real-time system status and operational information.
- Conducted testing and debugging to improve system reliability, movement accuracy, and overall performance.
- Technologies/Components: Arduino, Ultrasonic Sensor, Servo Motor, LCD I2C, PWM, Embedded C/C++

Community Development Project

- Taught Python fundamentals to primary school students, breaking down core programming concepts into simple, hands-on lessons and adapting teaching methods to keep students engaged and confident with code.

TRAINING

Neo Colab | 150 hours Computer Programming Course

- Completed a 150 hours comprehensive training program focused on Computer Programming Fundamentals and execution.

CERTIFICATIONS

- | | |
|--|-----------|
| • Data Science Certification Infosys | FEB 2026 |
| • Python Programming Certification Infosys | JULY 2026 |
| • Anger Management Certification Apanavidalaya | SEP 2025 |

ACHIEVEMENTS

- Solved more than 200 programming problems on online coding platforms during regular practice and learning.

EDUCATION

- | | |
|--|---|
| • Lovely Professional University (6.4 CGPA)
<i>Bachelor of Technology-Computer Science and Engineering</i> | Jalandhar, Punjab
2025 – 2029 (Expected) |
| • RAGHUNATH JHA COLLEGE (75%)
<i>Higher Secondary Education</i> | Sitamarhi, Bihar
2023 – 2029 |
| • TINY TOTS School (69.8%)
<i>Secondary Education</i> | Sitamarhi, Bihar
2022 - 2023 |

CAREER GOAL

- Aspiring to become a successful software engineer and contribute to building efficient, scalable, and impactful technological solutions for society.
